Subject: Request for Renewal
Sanitary Sewer Time Extension Approval
Great Plain Road and Great Meadow Road

Dear Mayor Boughton and City Council Members:

As per Sec. 16-6.1 of the Code of Ordinances, at the November 5, 2015 City Council meeting, the application from Albert J. Salame, requesting a time extension for the approval previously granted by the City Council for the installation of a sanitary sewer main to serve properties (Tax Assessor's Lot Nos. J06//41; J06//42; J06//81; J07//071; J07//072; J07//157) in the Great Plain Road and Great Meadow Road areas was referred to our division for a report (reference item #6 of the meeting minutes).

An 18 month time extension, related to the approval of the sanitary sewer extension, is acceptable to the Engineering Division of the Public Works Department as previously approved.

If the City Council approves this time extension, the approval should be subject to meeting all of the conditions attached to the original sanitary sewer extension's approval letter which a copy of the approval is on file in the City's Legislative Assistant's office.

If you have any questions, please feel free to contact this office.

Very truly yours,

Farid L. Khouri, P.E.
City Engineer

Re: 8-24 Referral/November 2015 City Council Agenda Item #6: Request for
Renewal of Sanitary Sewer Extension for Great Plain and Great Meadow Roads.

The Planning Commission has received a request from the City Council for a report pursuant to CT General Statutes/Sec 8-24, regarding the above referenced item.

At the November 18, 2015 meeting, the Planning Commission voted unanimously to give a positive recommendation for extension of the approval to serve the area by public sewer subject, again, to a restriction that said extension shall only serve 63 dwelling units. Additional conditions include approval by the Department of Public Works and Office of the Corporation Counsel as to submission of plans and documents in form and content satisfactory for recording.
